

LE LOTO DES ANIMAUX

MODE D'EMPLOI

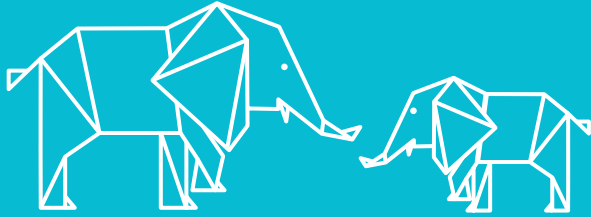

*Imprimez les 4 planches en 2 exemplaires :
un exemplaire en guise de supports et un exemplaire pour les vignettes.*

RÈGLE DU JEU

*Chaque joueur choisit une planche.
Les 24 vignettes sont posées sur la table, faces cachées.
A tour de rôle, chaque joueur découvre une carte
et annonce ce qu'elle représente.
Si il a la même image sur sa planche, il pose la carte dessus et rejoue.
Sinon, il donne la carte à celui qui en a besoin.
Le premier qui a rempli sa planche gagne la partie !*
